David L. Sustarsic, M.D.
Chairman of the Board
Central Florida Health Alliance
600 East Dixie Avenue
Leesburg, FL 34748

Dear Dr. Sustarsic:

Enclosed with this letter are: a copy of a letter I sent to Dr. Dalton and The Moffitt Cancer Center in Tampa; and a copy of the monthly publication of our organization in The Villages.

I am president of the Property Owners' Association in The Villages of Lady Lake, Florida. The POA was founded in 1975 and is the original property owners' association in The Villages. We have about 6,500 members. We publish a monthly newsletter, The Bulletin (see enclosed), which we deliver to most residents of this community every month.

The letter to Dr. Dalton summarizes our basic concern. We are unhappy that the recently announced cancer center may be built on the Leesburg campus of LRMC and not in The Villages where most of your potential customers are located.

I would also urge you and the Alliance Board to reconsider the plan to build a new building for the cancer center in Leesburg. Instead, please consider locating the facility close to our community and possibly even in the underutilized LRMC satellite hospital building with its 67,000 sq. ft. of space. This building would be ideal for the cancer center.

Please contact me if I can be of any assistance to you in your consideration of this facility.

Sincerely,

THE PROPERTY OWNERS' ASSOCIATION OF THE VILLAGES, INC.

Joe Gorman
President
