SUMTER COUNTY COMMISSION APRIL MEETING POSTPONED

The meeting at which The Villages was scheduled to seek approval of plans for C.D.D. #3 was postponed to MAY 12TH.

If you agree that plans for **only two executive golf courses** will not be sufficient for the number of current and anticipated residents, plan to attend this meeting.

We - all residents of The Villages - need to be concerned and to let the commissioners know **there should be four executive golf courses** if they intend to approve the developer's plans.

This matter will be on the agenda for the May meeting which will be held in Bushnell. The time of the meeting was not available in time to provide that information.

Please call 1-800-793-0201 and ask for the of Board of Commissioners to learn the time the meeting is to be held **and plan to be there.**

QUOTE OF THE MONTH

What the world lacks most today is, perhaps, understanding and appreciation of one another, among nations and people.

IN MEMORY OF DOT HOKR

Memory is that phenomenal capability which enables us to keep people and things important to us with us always in our minds and hearts.

Dorothy "Dot" Hokr will long remain in our individual and collective memories as a person who embodied the spirit of service, loyalty and piety.

Her love of God, country, family, and her friends and neighbors was unequivocal.

She had the power of her convictions and utilized that power to serve her church and her community. By giving so generously of her time and efforts, she has set an example for the rest of us to follow.

She served in many capacities in the P.O.A. and, most recently, as its President in 1996 and 1997.

We hope her efforts to bring about an harmonious and understanding co-existence among Villages residents will be realized in the near future.

She will be missed by all who were privileged to know her.

CONFUSED ABOUT AVAILABLE FREE TRANSPORTATION FOR LAKE COUNTY RESIDENTS?

There was sufficient response to the article in the April Bulletin to warrant appointment of a P.O.A. member to be available to answer your questions about the service provided by Lake County Transit and paid for by your amenity fees.

Barbara Gushiniere is very familiar with this service as a frequent and enthusiastic user because she does not own or drive an automobile.

You may call Barbara at **750-9130** for the answers to any questions you may have about routes and the times of pick up and return.

EXECUTIVE GOLF COURSES FOR C.D.D. #3

Following this article, you will find a copy of the letter I have sent to the Board of County Commissioners of Sumter County.

The reason I have done so is that they will be voting on the proposed plans for C.D.D. #3, which will include how many executive golf courses will be built.

Residents need to appear at the meeting on May 12th when this proposal is considered **IF YOU DON'T LIKE BEING UNABLE TO GET TEE TIMES FROM THE COMPUTER** - - and if you want to play more than two times a week as it has been lately.

At this meeting, plans could be proposed and approved that would affect an anticipated increase in population two or three years from now.

Right now, 17,000 would be affected. Think about what it will be like just two years from now with 22,000 residents if only two executive golf courses are in the plans!

If you think I am right or have an opinion, please call the office of the Sumter County Commissioners at 1-800-793-0201. Ask for Benny Strickland or any of the commissioners there and tell them how you feel.

◀◀◀◀◀ ▶▶▶▶▶

TO: Sumter County Board of Commissioners

SUBJECT: Your vote on the Villages Development seeking approval of the third Community Development District

**FROM: JOSEPH GOTTFRIED
920 Ramos Drive
Lady Lake Fl 32159**

Resident of the
Community Development
District #1/Sumter County
Member of Voters of
Sumter County
President/member of the
Property Owners' Association

As you vote on the subject that affects everyone in The Villages (that is 17,000 people), and because you are voting not only for The Villages to extend the building of homes, but you are also approving the recreation that they have planned for this area.

That is what we, the people, would like to inform you about.

The developer advertises "free" golf on the executive golf courses, and for six months of the past few years as of today, you are only allotted to play two (2) times a week - maybe three (3) - because the computer system installed by the community development district controls these golf courses.

Because you are only looking at part of the overall plan that you are voting on, **YES, approve it, but with a**

correction on the over-all plan that calls for two (2) executive golf courses to four (4) executive golf courses. That will correct our problem and, believe me, this will not cost the developer a thing because he sells it all back to the C.D.D. (Community Development District) as fast as he can build them.

We, the residents of The Villages, are having problems with the new form of government called C.D.D. But this one point of interest of getting golf tee time seems to be the biggest one of all, and your help on this subject would be greatly appreciated.

Thank you.

PRIZES GO UNCLAIMED

In the March Bulletin, P.O.A. President Joe Gottfried announced that, beginning with the March meeting, the following prizes would be awarded to a current member whose name was drawn IF THEY WERE PRESENT:

- 1) \$50 cash donated by Invincible Services
- 2) Queen size handmade afghan donated by Rose Kosovan
- 3) A Last Will and Testament donated by Michael Millhorn
- 4) \$10 gift certificate donated by Stavro's Pizza
- 5) \$5 gift certificate donated by Publix
- 6) Free car wash donated by Quik Car Wash.
- 7) A free annual service on any make golf cart by V-Z Golf Kars
- 8) Crying towel from Fiesta Bowl

Winner must be present and show a 1998 P.O.A. membership card to receive these prizes.

The member(s) whose name(s) were drawn at the March meeting were not present. The names of Tom and Rita Fox, 525 Jason, were drawn for the April meeting but they were not present.

A drawing will be held each month until the prizes have been won.

NEGLECTED GOLF COURSE AND STARTER SHACK

For some reason or other, I had not played the Silverlake executive golf course for about three months. Last week, however, I was able to get a tee time.

Was I surprised to see what a bad condition the course is in! It would take a dozen pictures to show just how bad it is; but, after thinking it over, I decided not to take any.

I thought my ball was going through the Grand Canyon to get to the hole!

HELP! HELP! HELP!

When I signed in, I noticed that thing on the wall. Maybe an air conditioner? Or part of one? Does it work?

I feel for the poor starters who work there. This is supposed to be a first class place. Or maybe we are out of money after that \$65 million bond.

Poor Silver Lake. Why don't they get some needed help to spruce up that shack? Shall we take up a collection?

and how long it takes your letter to get back home all because of all the places it must travel to get to its destination, GUESS WHAT!

There now is a brand new mail box located in the Sumter County Annex on 466 between the Fire House and the Administration Building.

And.... it is the drive through type so there is no need to get out of your car, and its use is not limited to Sumter County residents.

The story is that mail dropped at this location will get to its destination a great deal faster.

Try it and let me know.

WHICH MOTHER'S DAY?

They say TODAY is MOTHER'S DAY.
It is - and so was yesterday,
and days and days and days before
since first the little child she bore.
Tomorrow too will be her day
if God so wills that she should stay
to grace the place we yet call home
though we've since made our own.

How shall we say one day a year
"tis Mother's Day let's give a cheer"
and then forget the other days
deserving more, perhaps our praise?
From our abundant love we shower
our kisses, candies, and flowers
then settle back as if to say
"That's that until next Mother's Day."

Ah! Futile humans that we are
we mean so well - we miss so far!
Too full of fashion, style we sway
to single out one Mother's Day.
Let those who wish reserve praise
and honors for some special days;
but I, in heart, in word, and way
would make each day Mother's Day!

brother J. E. Williams May 1944)

THE NOSTALGIA CORNER

FLY-FIGHTING SHOWED INITIATIVE

In the "Good Old Summertime," flies are one of the many pests that thrive and man has tried numerous ways to ward them off.

How many remember the sticky flypaper or a poison flypaper that floated on a bowl of water?

The latter proved to be dangerous so a "Shoo-Fly Pie" was invented. It imitated a pie with the poison paper tucked under a top "crust" with small holes to allow flies to fly in to get a taste of the tempting "filling."

There were many inventions such as a fly brick, fly traps, fly swatters, screen covers for food (a version of which can often be found at picnics yet today) and various mechanical devices too numerous to mention.

In the elegant 80s and into the 90s, a popular patented device was the fly fan with outstretched cloth fans revolving slowly and casting shadows. Everyone knew that a shadow over a fly would cause it to decamp quickly.

These fans were frequently found in country stores above cheese and food counters and over restaurant and family dinner tables. Some were rotated with wind power, but the most popular were key-wound.

Hope you have enjoyed "fly"-ing down memory lane.

Editor's note: The season for love bugs is imminent, and I would remind you one of our residents discovered the old sticky flypaper was effective in eliminating them.
